Boutique Exclusive

CALIFORNIA SUMMERS

Launching exclusively in our boutique stores, we are proud to present California Summers. The roots of our brand started in Southern California, where we are continually inspired by the sun-drenched coastline, motivated by a dose of Vitamin D and sea.

California Summers celebrates 25 years of Voluspa evolution, momentum, and innovation, holding endless scents of discovery ahead.

With notes of:

Fragrance Family: Aquatic

Voluspa invites you to take the scenic route, so you may always return for California Summers...

CALIFORNIA SUMMERS

Aquatic

Plunge into the blue horizon and escape into another realm, where worries are reduced to coasting on hypnotic rolling waves. A salty ocean breeze tickles the skin as the sun reaches its peak height of the day, leaving you to bask in a teakwood sling chair, lathered in a tonic of warm vanilla and coconut milk. Welcome in the rising tides to wash away the cares of the day. Voluspa invites you to take the scenic route, so you may always return for California Summers.
