HI YOU!

The Gift Label is an Amsterdam based lifestyle brand. It is our passion to create products that are loved. We offer you original and well-designed gifts: fun to buy and fun to receive!

Our products are made with care and come with funky, happy and original labels that make it the perfect gift for yourself or someone else who deserves it. We like to celebrate the small things in life and wish you Only Damn Good Vibes!

We have several product lines for you to choose from. Or don't choose, and make your own gift box since you can easily mix-and-match the different products with matching labels. Whether you are looking for delicious home fragrances, hand and body care products, or funny greeting cards and cozy candles, we are happy to say we have it all!

And while having fun we are doing our best to be as sustainable as possible by reducing our waste and using ingredients that are sustainably resourced. Our hand and body care line for him and her is entirely vegan and made in Holland. We use 100% recycled plastic bottles and don't use sulfates and dyes. The products from our baby line are specially designed for the sensitive skin of your little ones. And it all smells so good!

We at The Gift Label want to spread love and happiness! Want to join the party? You can find us in several locations worldwide or order with us online. Let's throw kindness around like confetti!
