BABY

lookbook

OH BABY,

Tiny hands to hold your finger, the softest cheeks to kiss, the biggest eyes staring deep into your soul. Oh, baby! Congrats on this special moment in your life. We are honoured to be part of this unique moment and thank you for your trust in allowing us to help you with clean, safe and soft products for the nursery and bathroom. In this collection, you will find **Baby Bath Oil, Hair Lotion, Room Spray** and a **gift set** that includes **Hair & Body wash**, and **Body Milk**. Easy to combine, easy to use, easy to love.

Discover 3 new and unique themes, quotes and prints: **Underwater Adventure, Floating on Cloud Nine**, and **To the Moon and Stars**. We know a baby's scent can be both the best and worst smell in the world. That's why we added a sheer, perfume-free fragrance **with a hint of Lily of the Valley & SoftPeach**.

When it comes to **gifting** for a little one, the last thing on your mind should be worrying about whether your present is **"safe enough"**. With this collection, **developed by parents**, we want to make sure you treat the little one with worry-free products. All products in this line are curated to suit the **delicate skin of babies**. That's why you won't find any unnecessary ingredients in any of these formulas; **no dyes, no sulfates, no alcohol, no parabens**. Safe for babies, safe for grown-ups, safe for the earth. Enjoy this magical time of your life, and thank you for sharing it with us.
