CAPSULE COLLECTION

Scent: Island Bay

This summertime fragrance is enriched with lemon peel & lavender aromas. Imagine you and your loved ones on a trip to the coast of New Zealand's Island Bay. Enjoy the voyage!

Heaven is right here, where you want it to be. Covered and concealed through the hearts of the ones you love most. Whatever the disguise, this is an invitation to arise from the ashes your burning desires may have caused. Ignite one's fire while you illuminate godlike powers. You might say love is as unforeseeable as the spring's spruces, weeds and roses which sprout in the nick of time. One day turns into countless nights, which eventually turns into years filled with ever-lasting moments. And just like that, life becomes unimaginable without your "person" too. Although hearts might break and fingers get burned from time to time, the essence lies in knowing one can never dim your light while floating on cloud nine.
