# ABOUT

With fire and wax, we feel in our element. This is why we call our concept candles OOGNIS – meaning 'fire' in Lithuania. We play with wax as kids, craft candles as artists, and think of them as philosophers. We celebrate wax and fire in every step of our creative process.

## QUEST FOR UNIQUENESS

Each candle is poured into a unique hand-burnt wooden container for you to enjoy a piece of art in the form of a candle.
