b.tan®

say hello to

b.tan®

tanning everyday humans... temporarily

we may tell you to b.tan, but we're not gonna tell you how to b.tan...

we're all about making your beauty choices fun, not boring. clean, not full of nasties. effective, not pointless. we want you to b.tan your own way, without getting in the way - put us on your bod and just get on with being you.

- ✓ no unreal projections of perfection here.
- ✓ we're inspired by everyday humans just like you.
- ✓ self expression, creativity + experimentation is what drives us.

it's not just how you b.tan. it's what you do in your b.tan that matters. so the only question is... how do you b.tan?

www.btan.rocks

market trends

we are highly invested in staying on top of and ahead of the ever-changing market trends to offer the hottest + best products for our trend savvy gen z target customers

multifunctional sun care + skin care benefits

products designed to meet more than just one need. skin-first approach that treats your skin while also tanning, sun protecting or soothing.

environmental sustainability

reef-safe, cruelty-free, 100% vegan, palm oil free, recyclable packaging + sustainably sourced.

superfood, plant-based, skin-loving ingredients

ingredients from the earth that treat your skin to natural nourishment + hydration, with soothing, smoothing, brightening + anti-pollutant effects.

ahead of the innovation curve

all our products designed for early adopters to give us a first-to-market advantage. we see trends before they drop and ride the wave to mass success. multiple tan brands make us a trusted leader in the industry.

love to b.green

clean tanning. cruelty free. simple.

born in Australia, there are no nasty spiders, snakes or nasties in our products, so you know your skin is getting well looked after.

crafted from the cleanest naturally derived vegan ingredients to give a lil extra lovin to your skin.

we love animals, so no we don't test on them. and we love your bod so we keep all the nasties out of our products, so you know your skin is getting well looked after and while you're looking hot af. simple.

b.tan innovation

leaders in sunless innovation

b.tan is for everyone who believes tanning should be simple, it's not rocket science after all. but.... we also know what we're doing. we've been innovating and bringing fresh new ideas to tanning for over 6 years. just some of our bright ideas include:

dark, darker, darkest

starts dark, ends darker.
where other brands end,
b.tan begins.

no fake tan smell

smells like summer without
the gross fake tan smell.

world firsts

world's first 9 minute tan,
long wear tan mousse and
sweat resistant tan.

thumb mitts

easier to use! your thumb
has its own spot for easy
streak-free application.

leading mousse formats

b.tan has the leading number
of mousse formats
compared to competitors.

clear gel formats

clear tanning gels for a
moisturizing, rinse-free
tanning experience.

where we play

we tick all the boxes

especially when 80% of gen zers believe price is the most critical factor when making a purchase*

darkest tan
possible

b.tan

the name pretty much says it all. use
this product and get an awesome
darkest possible tan. simple.

more ways to b.tan

glow boldly where no one has glowed before. **swipe right on your match!**

vegan friendly, paraben free + 100% natural DHA

just act natural
bronzing water mousse
a tan so good it's even better than the real thing. packed full of naturally derived ingredients like coconut, rosehip and avocado oil to make your skin sing. so just act natural... we won't ever tell..

ain't nobody got time for that
pre shower 9 minute tan
things to see, people to do... some people do it in 10, we do it in 9. get golden in just 9 minutes.

b.tan forever + ever
self tan mousse
you're no stranger to a bangin' tan but you're looking for a longer term commitment? no one night stands here, just an afterglow that lasts... and lasts! (well up to 11 days anyways).

disco candy tan!
1 hour self tan mousse
we know how to party and look hot AF too. this tan parties as hard as you do and smells sweet like candy too. go the dancefloor distance with this party-proof, sweat + transfer-resistant tan.

tanned AF
1 hour bronzing mist
spray it on, get tanned AF and walk away. what comes easy, won't last forever. but that's kinda the point when it's fake tan. easy come, easy glow baby.

treat your skin to a ‘lil lovin’

introducing our most skin loving tanning range yet...
inclusive products that treat your skin first and
foremost, while also tanning you to bronzed oblivion.
