Enjoy the benefits of taking a break; find some time for yourself... These inspiring candles made with vegetable wax will fill your home with the scents of their essential oils, all created to appreciate the cosy moment you are living, relax and enjoy it with our handmade candles.

Let the perfumes of The Olphactory make your stays more special.

 $135 g \cdot 4.76 oz$ $360 g \cdot 13.69 oz$

The Olphactory presents two new sizes of candles in amber glass jars, a smart and decorative style that continues the trail of simplicity and quality that characterizes the collection.

These inspiring candles made with vegetable wax will fill your home with the scents of its essential oils, all created to appreciate the cosy moment you are living, relax and enjoy it with our handmade candles.

THE REFILL FOR DIFFUSER

 $250~ml \cdot 8.45~fl~oz$

When the best-selling aromas become the favourites of our homes, we can enjoy them again and also save money. Using a basic bottle and a secure cap, refills for reed diffusers offer us the essential key: the experience.

They are undoubtedly the best way to repeat fragrance and see the bottle of our diffusers "always full".

 $500\ ml \cdot 16.90\ fl\ oz$

Enjoy your favorite home perfume whenever you want and immediately! Always available to be used when you feel your home needs a boost of energy or when you want to create a unique combination by mixing different aromas, making your space unique.

THE LAUNDRY COLLECTION

 $500 \ ml \cdot 16.90 \ fl \ oz$

Perfect mist for conditioning and scenting fabrics, it also makes ironing easier and neutralizes bad scents thanks to its microparticles with anti-odour technology. Refresh your clothes, your pillows, the interior of your car and your entire home without leaving stains.

Spray directly on towels, curtains, tablecloths or rugs to revitalize them and renew your environment. Applied before ironing clothes, this mist perfumes and softens the fibres.

THE WATER - SOLUBLE OIL FRAGRANCE

 $20 \ ml \cdot 0.68 \ fl \ oz$

The water-soluble oils purify and give scent to your spaces, creating a pleasant environment. Recall memories and create new ones, all part of our olfactory memory.

These oils are suitable to be used in oil burners (with candle), and also in ultrasonic scented diffusers, because its formula is water-soluble. Dare to create spaces that transmit personality and elegance.

THE CATALYTIC FRAGRANCE

 $500 \ ml \cdot 16.90 \ fl \ oz$

Our catlytic fragrances have been exquisitely elaborated and thought to embellish your home, creating a pleasant and cozy environment.

Your favourite perfumes for catalytic lamps have intense a long-lasting aroma that will let you enjoy a clean and scented atmosphere.

LACROSSE

INSPIRED BY NATURE

ABOUT THE BRAND

Lacrosse has been created with Ambientair's know-how. Its style is timeless. A striking and recognizable design paired with an interesting chromatic effect, directly inspired by nature hues. This makes it the most extraordinary collection of the brand, where we instantly recognize Ambientair's DNA.

Just like in architecture, we find a balanced harmony between functionality and art in its products. Lacrosse perfectly fits in your home décor and fills the atmosphere with an exquisite fragrance.

Diving inside Lacrosse's universe is like traveling for inspiration. The adventurous spirit blends into the creative soul to create each of its emblematic home fragrances, inspired by natural elements and capable of making your heart beat. An unknown collection that distills authenticity and whose aromatic notes emerge the experiences lived in the quest of each essence, its origins and its influences.

"Fragrance opens up infinite horizons. It appeals to both the senses and the imagination. Like an enchantment, it works on an instinctive level and at the same time is extremely subtle."

- INSPIRED BY NATURE -

The scents of nature inspire us, relax us and transport us to magical landscapes full of color. Fresh, floral and woody fragrances with a special touch that you will want to incorporate into your daily life.

AROMATIC NATURAL CANDLE

200 g · 7.05 oz 310 g · 10.93 oz

The crystal glass, the vegetable wax, the wooden cap, and the wick: these are the pieces that make the contiainer and the olfactory content of Lacrosse's aromatic candles, to which the essential perfume joins, the main character in this exceptional set.

The merge of these elements determines the final value: they are all necessary and play an essential role in the olfactory experience. Its waxes and scents are based on natural, non-harmful ingredients, which cause the stimulation of more than one sense. Lacrosse offers fragrances that evoke memories and experiences, as well as creating new ones.

SCENTED STICKS

100 ml · 3.38 fl oz 200 ml · 8.45 fl oz

If elegance gave off a scent that would be any of Lacrosse's fragrances: these reed diffusers represent the perfect balance between modernity and classicism. The collection puts together fragrances where different aromatic melodies fill in the spaces in a powerful and captivating way.

The bottle creates a unique set of colours according to the scent and its colour. Each bottle is a pure figure, to which the wood cap is added to stylize and give nobleness. The rattan sticks release the perfume gradually: the porosity of these reeds, allows the fragrance to rise for each of them and the diffusion of the perfume is natural and continuous.

ROOM SPRAY

500 ml · 16.90 fl oz

Bring a special glow to your home with Lacrosse scented sprays. The light and volatile mist takes refuge in the room and arouses interest. This air freshener spray is an immediate expression of the scent that lingers in the air for a long time. Lacrosse home perfumes have a high concentration of fragrance and a sprayer that offers the best results.

REFILL FOR REED DIFFUSER

250 ml · 8.45 fl oz

When the best-selling aromas become the favourites of our homes, we can enjoy them again and save money. Using a basic bottle and a secure cap, refills for reed diffusers offer us the essential key: the experience. They are undoubtedly the best way to repeat fragrance and see the bottle of our diffusers "always full".

WATER - SOLUBLE OIL FRAGRANCE

15 ml · 0.50 fl oz

Each fragrance becomes the best version of itself, making us remember nice moments and creating new ones that will become part of our olfactory memory.

These oils are suitable to be used in oil burners (with candle), and in ultrasonic scented diffusers, because its formula is water-soluble. Dare to create spaces that transmit personality and elegance.

500 ml · 16.9 fl oz

Perfect mist for conditioning and scenting fabrics, it also makes ironing easier and neutralizes bad scents thanks to its microparticles with anti-odour technology. Refresh your clothes, your pillows, the interior of your car and your entire home without leaving stains. Spray directly on towels, curtains, tablecloths or rugs to revitalize them and renew your environment. Applied before ironing clothes, this mist perfumes and softens the fibres.

ABOUT THE BRAND

Lab Co. will embrace the delicate balance of your home. It reflects a harmonious lifestyle where materials, colours, furniture and decorations are carefully chosen. Less is more, and every single item in our home has its own value and serves a certain purpose.

By this equilibrium, Lab Co. will build your own personal refuge, creating a pleasant environment where you will feel comfortable, inspired and confident enough to be your real self.

Our products are meant to inspire peaceful and unique experiences. The secret of a comfortable, elegant and warm home can be found in the high-quality fragrances and simple designs of Lab Co. Bring joy to your days and quality to your life without making it too complicated.

You will discover that just by mixing surprising combinations, you can create unforgettable moments.

"A well-chosen fragrance can be a distinguishing feature. It's the first thing people notice when we walk into a room and the last thing they notice when you leave."
